EILEAN EISDEAL: EASDALE ISLAND HARBOUR

AGREEMENT FOR THE LEASE OF A BERTH/MOORING

- 1. The Master shall be required to observe the Rules and Regulations made by Eilean Eisdeal governing the use of the Harbour, which Rules and Regulations shall be deemed to be incorporated within and to form part of this agreement.
- 2. Unless he has Eilean Eisdeal's prior consent, the Master shall not lend or transfer the berth/mooring to any other person, this agreement being personal to the Master and not assignable. Nor shall he use the berth/mooring for any vessel other than that specified on the Schedule to this agreement.
- 3. Eilean Eisdeal reserves the right to allocate berths/moorings according to availability and to the length and type of vessel. Nothing in this agreement shall entitle a Master to the exclusive use of a particular berth/mooring. The Master should whenever possible keep clear of areas in the Harbour designated for other users.
- 4. A berth may be designated to be kept clear whenever possible for the convenience of fishermen wishing to use the Harbour to carry out maintenance or for shelter in inclement weather.
- 5. The lease granted under this agreement may be terminated by either party giving 28 days' notice in writing of such termination, at the expiry of which the Master shall remove his vessel from the Harbour, in accordance with the Rules and Regulations.
- 6. In the event of the Master failing to pay the annual/seasonal charges levied for the lease, failing to comply with any of these Conditions, or failing to observe any of the Rules and Regulations for the Harbour, Eilean Eisdeal shall be entitled to terminate the lease granted under this agreement in accordance with the Rules and Regulations.
